## EDUCATION

---

### Army Institute of Technology

Bachelors Electronics and telecommunication *GPA: 9.82*

Pune,Maharastra

September 2020 - May 2024

### Kendriya vidyalaya

SSC (CBSE Class 12th) *Percentage: 85*

Hisar, Haryana

## SKILLS

---

Programming Languages:	c++, c, Java, Python
Concepts :	Data structures, Object Oriented Programming, DBMS, Operating System
Tools / Platforms:	Sublime, Vs code, Google cloud, Azure
Libraries/Frameworks::	React.js, node.js

## WORK EXPERIENCE

---

### GeeksforGeeks

01/23 - 03/23

Generated content encompassing various subjects within the domain of data structures and algorithms. Additionally undertaken revisions of existing content to enhance code readability and improve overall user experience.

### Developer at Youth India Foundation

06/22 - 08/22

Managed end-to-end development of 10+ React-based websites for clients, optimizing for cross-browser compatibility and multi-platform accessibility; delivered projects on time and within budget, resulting in a 90 percent satisfaction rate

## PROJECTS / OPEN-SOURCE

---

### AIT Sports club website | [Link](#)

TypeScript, CSS, Javascript

- Engineered a user-friendly official web application of college that provides a platform for students to register for sports events and view their details.
- Key features include user registration and login, event registration, event details and schedules, user profile management, **daily visitors of 1000+**, storage in Firebase Firestore, **image upload feature**, daily transactions with **Razor Pay gateway** and **search engine optimised**.

### Contact Manager | [Link](#)

C++, Object Oriented Design

- Developed a contact manager program in C++, utilizing **Trie data structure** for efficient prefix and suffix searching, insertion, and deletion of contacts
- Build a command-line interface for adding new contacts, searching for existing contacts using prefix and suffix, deleting contacts, and quitting the program

## ACHIEVEMENTS AND COMMUNITY CONTRIBUTION

---

### Problem Solving/Contributions

- Successfully secured a top 250 spot in **FLIPKART GRID 5.0** by creating a personalized product recommendation website using **machine learning** and **GENAI-powered chatbot** recommendations.
- 6 star coder** on hackerrank, **Specialist(1472)** on Codeforces. | ([Profile](#))
- Solved 1000+ questions on the Codeforces, hackerrank, and leetcode platforms

### Management roles

- Designated as **Class Representative** and **Sports secretary** (2022-23)
- Organized and managed Sports and Technical Fest of AIT. (2021- 22)
- Supervised Code Red,Debugging and Reverse Coding as Event Head

## HONORS & AWARDS

---

- Ranked among the **top ten on the merit list** and won the college's merit based scholarship
- Successfully qualified first round of **Google codeJam**
- Secured second rank in coding competition in college organized by AIT
- Core member of ISDF , DDQ and cultural club of AIT (2020-2021)
